Government Grants and Tax Credits

Non-repayable money to grow your business!

We can help you with a FREE evaluation of grant and tax credit opportunities.

Our qualified team has access to numerous government grant programs which will provide you with considerable support to improve your business. With years of experience in a wide range of sectors we offer the most comprehensive, end-to-end services in the industry. BCC uses a field staff of highly qualified professionals widely recognized for their scientific, technical, business expertise and knowledge of the innovation process to provide its clients with value-added advice so that they are able to maximize their claims.

YOU HAVE NOTHING TO LOSE - YOU ONLY PAY WHEN YOU RECEIVE YOUR MONEY!*

Obtain Government Grants and Tax Credits to reduce costs associated with the following business activities:

- Productivity improvement projects, including plant re-engineering, lean manufacturing, and improved management information systems
- Energy efficiency projects
- Quality improvement projects
- Training to help employees upgrade skills and adjust to technological change
- Research and development of new products or processes
- Development of new export markets (not USA)

For clients looking to obtain government grants and tax credits, we offer to:

- Identify appropriate government grant programs for your business and update you on new programs on an ongoing basis
- Prepare you for communicating with government representatives by familiarizing you with program criteria, terminology, etc.
- Assist you in the preparation and submission of all application forms and supporting documentation required by the government

* A refundable retainer is required in order to initiate a new project.
